Dear Sir,

We are quite satisfied with the supplies of the olympia gas burners which came with continuously operating pilot for enhanced safety to match japanese safety standards.

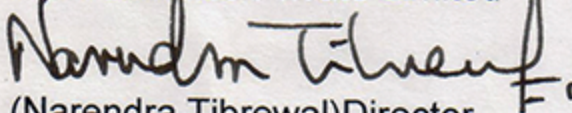

We confirm that the Gom series burners so purchased from you with maximum capacity of 400,000 kcal/h performing well in our factory and is resulting in gas savings.

In view of our having fully understood the product we are willing to act as a extension centre for your Company here in assam.

Thanking You.

Yours faithfully

For Teamafco Private Limited

  
(Narendra Tibrewal) Director.
